Auckland 2145

Dear Spencer,

Your support of Auckland Rescue has been gratefully received – you can, and should be, proud to know that through your kindness and generosity, you will play a crucial part in someone's life.

The Auckland Rescue Helicopter Trust has been serving the Greater Auckland, Hauraki Gulf and Coromandel communities of over 50 years. Tasked to over 24,000 missions to date, our commitments remain the same – providing every individual and their loved ones with the very best care possible.

On behalf of your community, our crew, medics, pilots and staff, thank you for your contribution. It really does make an important difference.

Thanks again.

Megan McSweeney
General Manager

Because you never know
