

FD150-1-NZ CUTOUT

- SINGLE PHASE STREETLIGHT CUTOUT

The Charles Endirect range of cutouts has been designed for strength, durability, ease of installation and to meet the full requirements of BS 7654. The range features a secure and quick release carrier to provide safe and easy access to fuses and outgoing terminals.

This easy to use, slimline cutout is made to the highest quality standards using the best materials available in order to offer a long and reliable service life.

With safety at the forefront of the design process, the special cam operated fuse handle ensures electrical disconnection is achieved before the unit is opened and the fuse carrier extracted.

TECHNICAL SPECIFICATIONS
