

SECURA-LIGHT

- PREMIUM TEMPORARY LIGHTING SAFETY DEVICE

Designed by Tony Bull of SV Enterprises Ltd, the Secura-Light is the answer to temporary lighting situations and will become essential during construction and renovations, ensuring the safety and well-being of lives and property. The Secura-Light is convenient for the sub-trades to work around and allows painting to be completed while the temporary lighting is safe and functional.

1. Attach light into bar.

2. Insert into ceiling cavity.

3. Secure anchors.

4. Retains TPS cables.

5. Secured to ceiling.

6. Multiple uses.
