

# 250MM PUMP PLIER

KP8806250 - 250MM

Jaw design will grip flat, round, hex, square stock and more. Chrome plated for long life

Full box joint hinge. Incredible gripping power with self-locking handle design

VDE Hand stop guard

Powerful ergonomic handle design

9-adjustment positions

2-Component handle with hard and soft surfaces. Greater handle grip in difficult working conditions

- ✓ More output and comfort compared to conventional water pump pliers of the same length: 9-notch adjustment positioning for 30 % more gripping capacity
- ✓ Good access to the workpiece due to slim size of head and joint area
- ✓ Self-locking on pipes and nuts: no slipping on the workpiece and low hand-force required
- ✓ Gripping surfaces with special hardened teeth, teeth hardness approx. 61 HRC: high wear resistance and stable gripping
- ✓ Box-joint design for high stability due to double guide
- ✓ Guard prevents operators' fingers being pinched
- ✓ Chrome vanadium electric steel, forged, multi stage oil-hardened
- ✓ **VDE Tested**
